To the parents of

We have received End of Course (EOC) results for the STAAR tests that your child took during the Spring of 2017. Under current Texas law, your child must meet the passing standard on all five assessments. Any test that does not have a score means your student has not taken that test, yet. The highest score made to date is the score that is reflected below. Should you have any questions, please feel free to contact me at the phone number or email listed below.

English
English I
English II

Math
Algebra I

Science
Biology

Social Studies
US History

Retesting Needs:

Information for Students that need to Retest:

Your child did not pass one or more of the required tests. He/She has several opportunities to retake the assessment(s). The first retesting opportunity will be offered during the summer June 19-22 at Oak Ridge High School Main Campus. In order to take advantage of the first testing opportunity your student must sign up on the school's website or at <http://tinyurl.com/kg69pjw>.

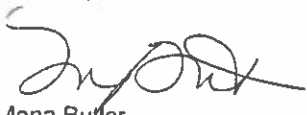

All tests, with the exception of Algebra I, will be taken online this summer. Students are STRONGLY encouraged to use the tutorial practice site to become familiar with the testing program. Instructions for using the tutorials can be found at <http://tinyurl.com/kg69pjw>.

Kids will be much more successful if they take part in our STAAR Summer Boot Camp. The Boot Camp will be on the 9th grade campus June 12, 13, 14, and 15. Students can participate in up to two different sessions. Session One will be 8 am - 9:30 am and Session Two will be 9:30 am-11:00 am. Students need to register for the Boot Camp at the same site as the test registration. That website is <http://tinyurl.com/kg69pjw>.

The second assessment opportunity will be in December, 2017. Students will be provided extra support in preparation of the December testing through their class schedule. The campus will be closely monitoring your child's progress. We encourage you to support your student and to communicate with the school as necessary in order to be sure that he/she is prepared for these assessment opportunities.

If you have questions regarding this letter or your EOC performance, please contact Mona Butler, Oak Ridge High School Assessment Coordinator.

Sincerely,

Mona Butler
