Dear Parent of

STAAR EOC exams are a graduation requirement. All students must meet at least "Approaches Grade Level" passing standard on *Algebra I, Biology, US History, English I, English II STAAR exams* in order to meet that necessary graduation requirement. We strongly encourage students who have not met at least "Approaches Grade Level" passing standard on STAAR to retest in the summer and attend the Boot Camp program at College Park. If you require more than one subject, two sessions are offered to accommodate your schedule. Please register for Boot Camp and the necessary July STAAR Test by visiting the TWCP home page at [twcp.conroeisd.net](http://twcp.conroeisd.net) **Registration deadline is June 12, 2017.**
